Photo Ideas

Below are some examples of promotional photographs Volunteer Now used in the past.

Use props to make the photo more interesting. Consider having the photo taken out of context in an unusual setting.

If you need a photo with lots of people you could take it from a height, or with everyone cheering or jumping!

Be part of our Thunder Clap on Thursday 1st June, further details will be issued across our social media outlets. Remember also to include photos in your social media campaign, use the hashtag #VolunteersWeek to begin with and then during the event and after #YMTD (You Make The Difference).
