Play-based Programme Support Volunteers - Newry SureStart

We're reaching out from Newry SureStart to explore the possibility of welcoming volunteers to support our range of parent and toddler groups and rhyme time play-based programmes for children under 4. Volunteers will play a valuable role in enhancing the children's experience, and this could be a great opportunity for anyone passionate about early childhood development or gaining hands-on experience in a community setting. <https://tinyurl.com/2jwcjtb7>

Childhood Day Collector – NSPCC NI (Newry)

Childhood Day is NSPCC's annual fundraising event which takes place in June. There are so many ways to get involved – but we're asking people to volunteer their time in the lead up to the big day and fundraise at one of our Childhood Day collections. We can't do our work without volunteers like you, and the money you raise will help to protect children. Will you give a few hours of your time to raise money for children who need it most?

Branch Chair -SSAFA (NI Wide)

Could you lead the local SSAFA services in your area? Trap, Neuter, Return Volunteer – Cats Protection (NI Wide)

Unfortunately, thousands of cats each year are abandoned or have strayed and rely on charities like Cats Protection for help. Becoming a trap, neuter and return (TNR) volunteer is one way you can make a real difference to cats in your local area. Our TNR volunteers help reduce the number of feral cats by raising awareness of our TNR programmes, setting humane traps to safely capture cats, taking them to local vets to be neutered, and hopefully returning them back to their territory. <https://tinyurl.com/2cbzejf7>
